Mr. Frank G. Rogalla

STAT [redacted]

Dear Mr. Rogalla:

Your letter of July 10, 1959, to Mr. Dulles concerning a plastic survival suit, appears a matter of concern or of possible interest to the Office of Civil Defense Mobilization, rather than Central Intelligence Agency. I would have been pleased to refer your proposal to them; however, I note in the third paragraph of your letter that you may have already communicated with that Office during the past two years. Therefore, I am returning your proposal with a suggestion that if you have not already done so, you may wish to contact the Office of Civil Defense Mobilization.

Thank you for your kind comments and your initiative in submitting your proposal.

Sincerely,
